TIMELINE

- 1984 Established in Egypt
- 2003 Qatar Branch
- 2005 Algeria Branch
- 2006 Tunisia Branch
- 2007 Bahrain Branch
- 2009 Lybia Branch

A photograph of a modern, grey metal escalator with yellow safety lines on the steps. A dark green rectangular text box is overlaid on the left side of the image, containing the word 'VISION' and a paragraph of text. The text box has a white border and is connected to the background image by thin yellow lines.

VISION

Aspired to responsibly be a leading mobility and technology solution provider all across the region

MISSION

Being the best at what we do and living up to the expectations of both our customers and stakeholders with a continuous focus on the dynamic environment and robustly evolving customer needs.

IET CORE SUCCESS PILLARS

TECHNOLOGY

For 30 years, IET has partnered with handful of worldwide brands with leading and up to date technology to bring for our region and our customers. It's our mission to provide you the safest, fastest and more robust solution you can possible get

PEOPLE

Advanced technology has to be in skilful hands, otherwise it's a waste. IET believes in the human factor and skill and always places training and development as a priority in building our manpower capacity across the sectors and departments.

CONTINUOUS SUPPORT

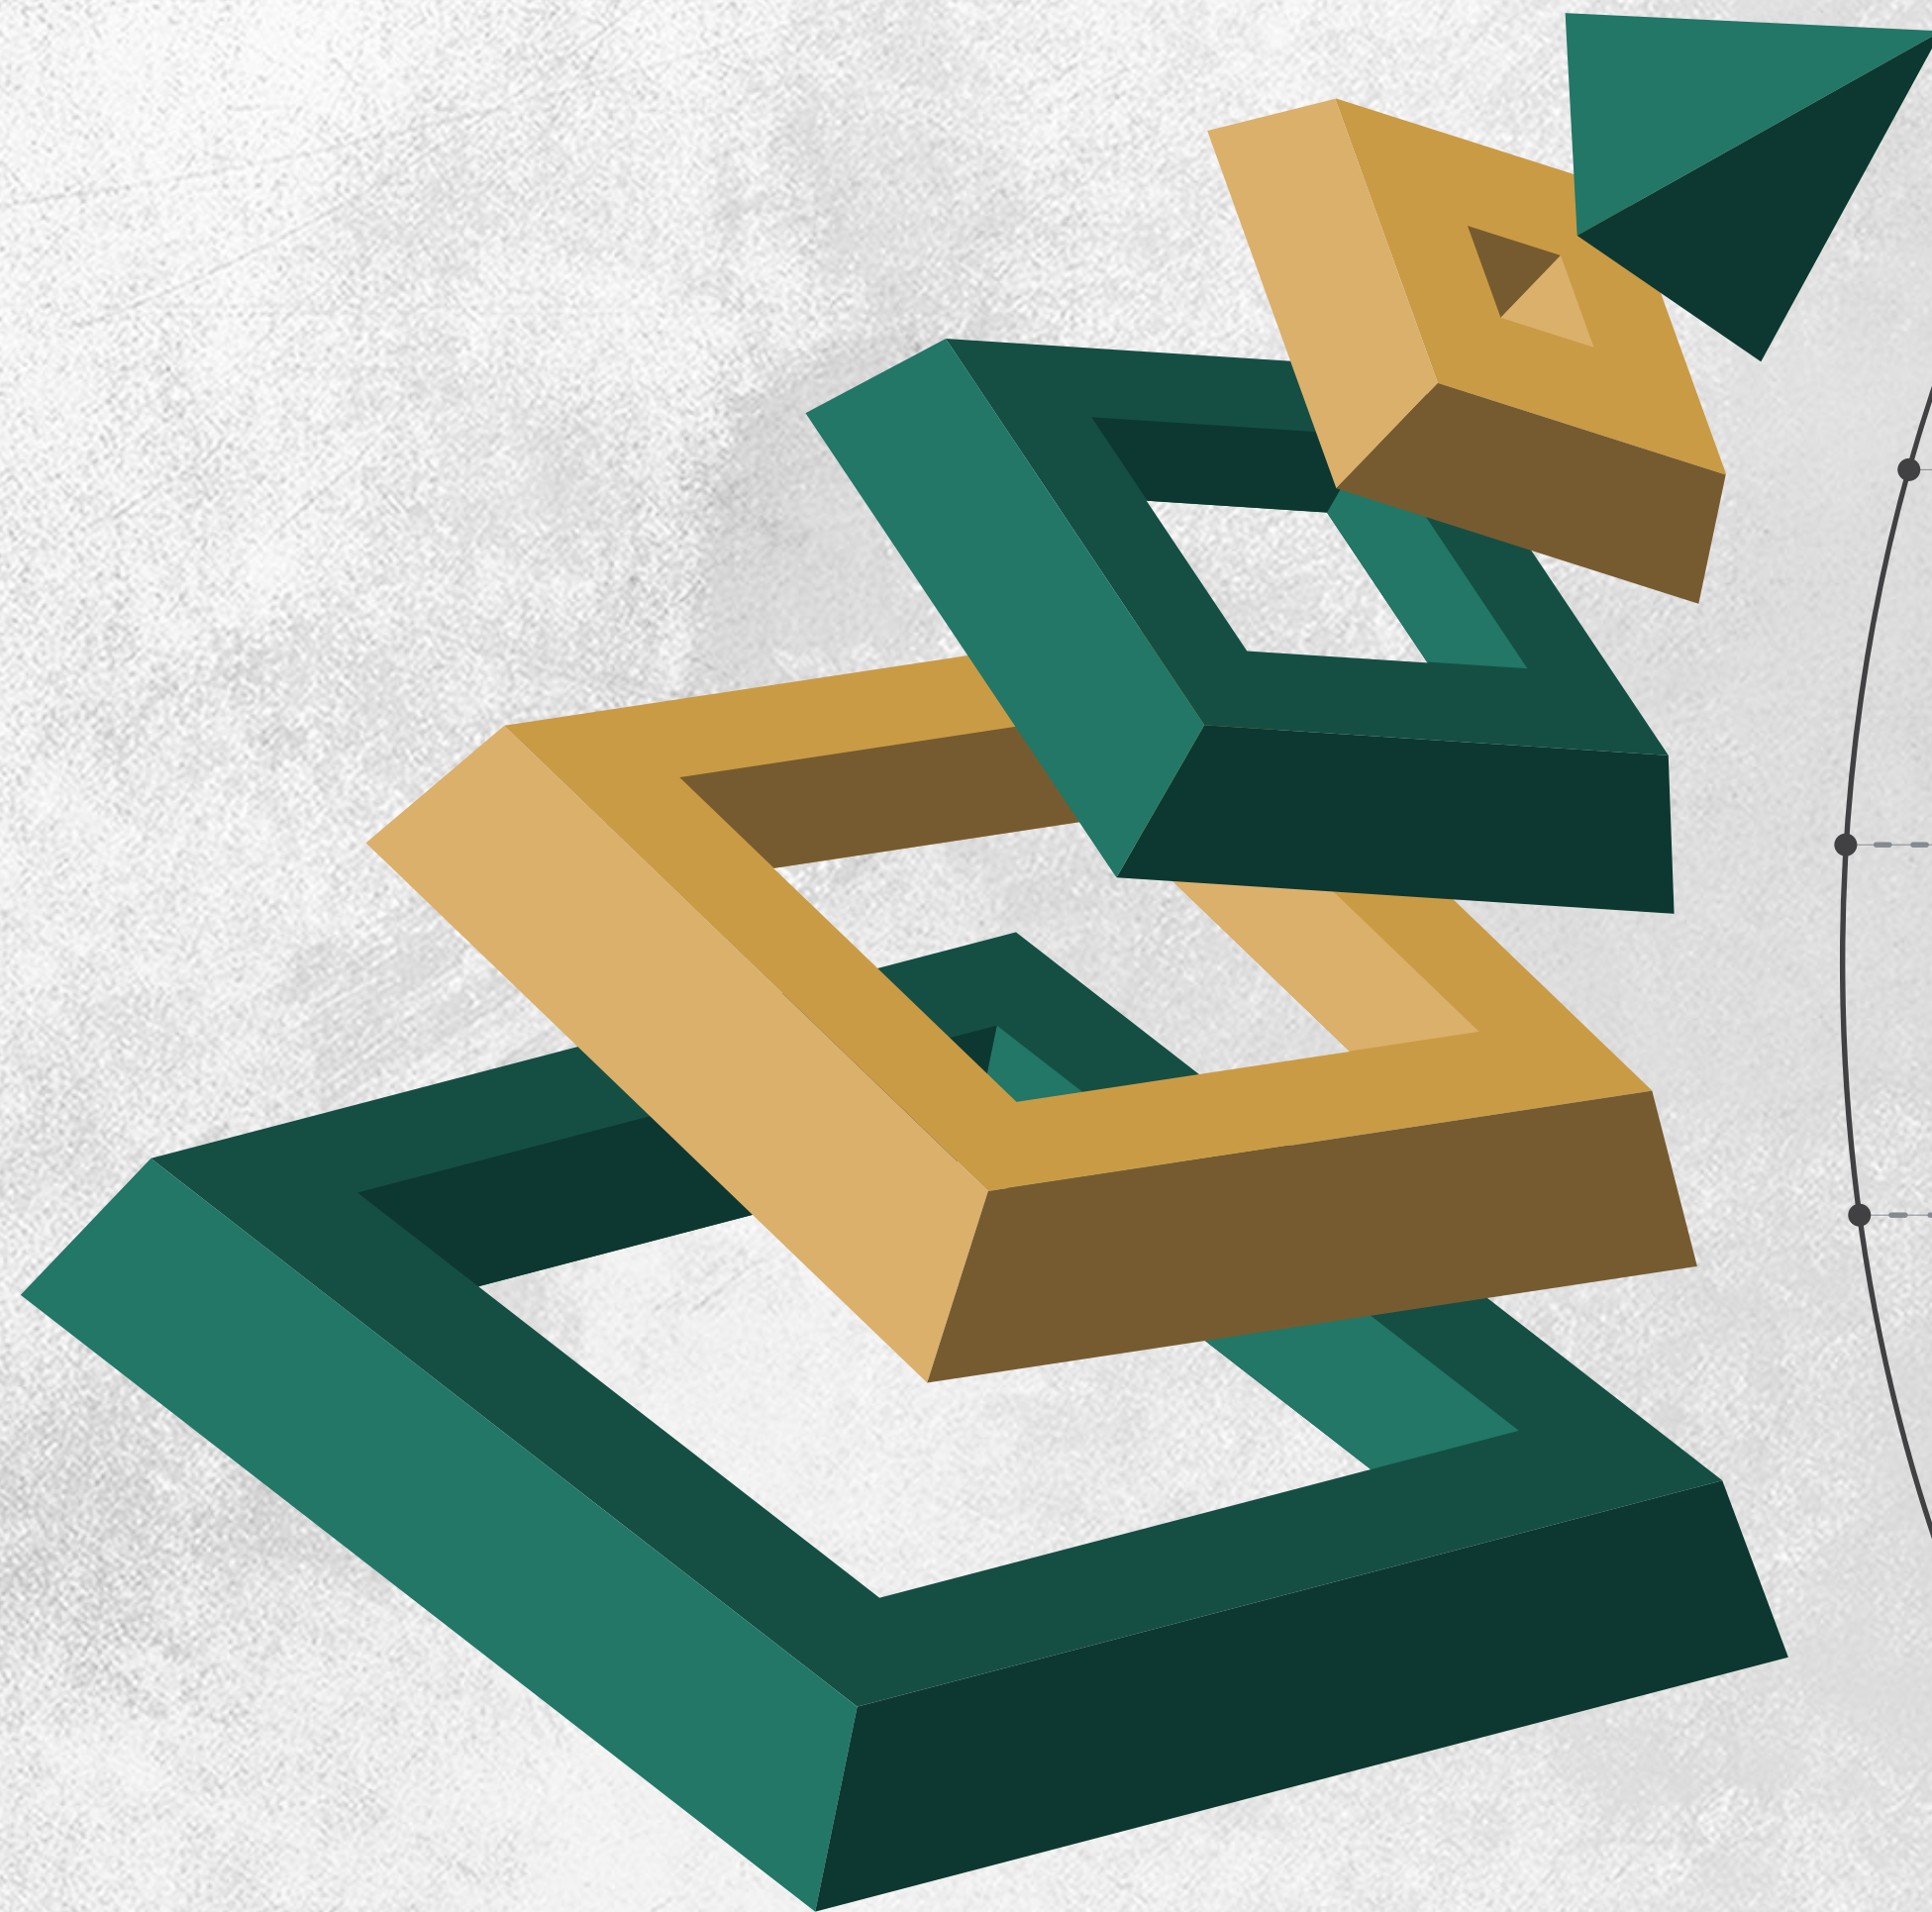

We commit ourselves to supreme customer service and after sale care to make sure safety and comfort of you and your family is attained. Always being there is our promise for our partners.

VERSATILITY & FLEXIBILITY

Every need is met with the versatility and flexibility of solutions we have under one roof. No matter whether it's a sophisticated project or small project with simple budget, IET got your back and willing to get your job done timely and efficiently.

VALUES & BRAND PHILOSOPHY

SAFETY

In our business, safety is a fundamental parameter in every project we venture in. Highest safety measure are strictly followed in all our projects.

CUSTOMER COMMITMENT AND CENTRISM

At the centre of what we daily do, our customer interest and comfort has always been before our eyes.

PRODUCT AND SERVICE QUALITY

Over the decades, we have been so keen to partner with the biggest names worldwide to bring our customer the cutting edge technology, ultimate safety and more than desired comfort.

TIME AND BUDGET BOUND

With a wide range of brands and specifications, IET caters for various customer needs. IET has served hundreds of customers to satisfaction with tailor-made solutions fit every budget and time plan.

INTEGRITY TRUST

For over 30 years in the markets we have served, IET is on a devoted mission to build what we see the most elemental success; trust. In every step along the way of any project we boost trust and credence between us and our partners and we always prove it true.
